INTRODUCTION

START

God's people have now settled into their new homeland. After Joshua died, the people were led by judges, but at their request, they will now be led by a series of kings. They are still worshiping in the tabernacle they built in the wilderness, and they still have the Ark containing the Ten Commandments. The young shepherd boy who played the music to comfort King Saul is all grown up and is a mighty warrior. He still loves God with all his heart, and although he will make some big mistakes, he will be a good king who follows God. What will God's people be like now that they are powerful and wealthy? What will the kings be like? Will they love God and each other? Who will tell them when they are doing wrong? Let's jump into Journey 7 and find out.

TIMELANDERS UPDATE

Lev

Welcome back, Timelanders!
Can you believe this is our seventh Journey? It's been a long time since we built our treehouse, and we have had to make a few repairs. Bo knows just what to do to fix everything, and Ozzy has just the right tools that we need. The map, key, and horseshoe have been kept safe in the treehouse since our last journey.

We will soon be off on our next Journey. We have been trying to make some improvements to the treehouse, and Lev's gadget glove is very helpful, especially for the technical parts. Ozzy is a great friend and helps us understand more about every Bible story. We also make sure that we pray more and ask God to help us with everything we do.

Bo

Ozzy

This is my fifth Journey since I joined the Timelanders, and I can't wait for the first Trip. I have been helping Lev and Bo with the treehouse and even helped Roots make his acorn vault a bit bigger. We keep my nan's Bible in the treehouse so we can prepare for each Trip. It has a lot of maps and other things in it.

Hyla

I still have my birdbath, and sometimes birds even come to visit. I heard we would meet some very helpful ravens on one of our trips.

Roots

I still have my acorn vault, and it's bigger now, thanks to Ozzy. I haven't met any squirrels on our trips, but there are plenty of other animals like donkeys and camels.

TRIP 1: THE KING AND THE CROWN_

We're off—the trip begins!

Our last journey ended with a psalm written by David, the boy Samuel anointed to be king one day. Now a grown man, he is now serving King Saul as a mighty warrior. The Philistines are constantly fighting against the Israelites and are among their greatest enemies. Now their army is coming after Saul and his sons, including Jonathan, David's best friend! It may be a sad day for the Israelites and for David.

PRAY: This will be a hard story. Thank God that he is with you as you read it.

Uh-oh! This place looks dangerous!

DAY 1

Time is almost up for King Saul, and now he and his army find that the Philistines are impossible to defeat. If the enemy soldiers catch Saul, they will kill him in the most horrible way. He would rather die his way than theirs.

› Read 1 Samuel 31:1–6 & 2 Samuel 1:1–12

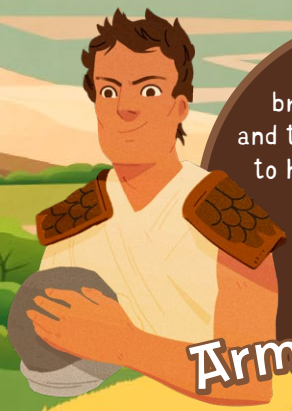

I'm glad God is with them, even if we can't see him.

DAY 2

Read 1 Sam 31:1–3

What a terrible fight it must have been for the Israelite army! Lots of soldiers were killed, including Saul's three sons. Saul himself was severely wounded and barely hanging on to life.

You must be brave to be the king and to be a soldier! I tried to help Saul, but fighting the Philistines was not easy.

Saul's Armor-bearer

DAY 3

Read 1 Sam 31:4–6

Saul asked his armor-bearer to kill him, rather than fall into the hands of the enemy. Saul was God's chosen and anointed king, and the armor-bearer was terrified. So, Saul had no other choice but to end his own life.

DAY 4

Read 2 Sam 1:1–5

While Saul fought the Philistines, David was leading the fight against the Amalekites. In the middle of the fight, David received the sad news about Saul and Jonathan, David's best friend.

DAY 5

Read 2 Sam 1:6–12

An Amalekite came to David with Saul's crown and armband, claiming he had killed Saul. He didn't tell the truth about how Saul died, but it was true that Saul, his armor-bearer, and his three sons had fallen in battle. As was the custom, David and his men tore their clothes, wept, and fasted because they were so upset about the death of Saul and Jonathan and the defeat of the Israelite army.

It's time to go back home and think about what we discovered.

- **PLAY THE MESSENGER RELAY GAME.** Divide the players into equal teams. Set a starting point and turning point (around 20 feet from each other) for each team. Give the first person on each team a crown. With the crown on their head, the first person will run to the turning point and back. They will hand the crown to the next player who will repeat this action. The winners are the first team to have every member complete the course.
- **MAKE A CROWN AND ARM BAND.** Go to the Timelanders website for a pattern and instructions. www.timelanders.com/journey-7

DAY 2

Help the young messenger get from Mount Gilboa to David in Ziklag.

Did you know?

ARCHERS used bows and arrows in battle during Old Testament times. Archers were valuable members of the army because they could strike from a distance before hand-to-hand combat began. Ancient bows were made of a tough, bendable wood or horn, while the arrows were made of light wood or reeds with tips of stone, flint, bronze, or iron.

DAY 3 Use the key to solve this riddle.

I carried Saul's shield and weapons.
I was with Saul when he died.
I died soon after Saul.
Who am I?

DAY 5 The messenger brought some of Saul's belongings to prove that he was dead. Color in Saul's crown and armband.

DAY 6

- Why was David especially sad to hear that Jonathan died?
- David and his men tore their clothes, cried, and fasted. What did these actions communicate?
- Have you ever felt sad when something difficult happened to someone else? What or who helped you?

PRAY Talk to God about your thoughts and what you discovered this week.

DAY 7

Talk to your Travel Guide or a Timelander friend about what you wrote in your Lander's Log.

Don't forget to put your stamp in your passport.

TRIP 2: PEACE AND THE PROMISE_

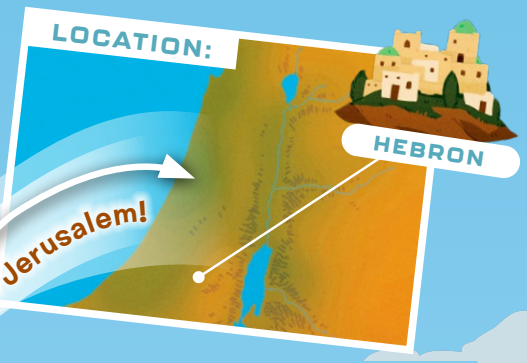

Chosen by God years before, David will become king and reign over Israel. Before long, there will be peace, and the people can live normal lives. David has built a beautiful palace in Jerusalem. He still loves God with all his heart and wants all the people to love God too. They still have the Ark with the Ten Commandments that they had in the wilderness, and the people have a place to worship God.

PRAY: Tell God what you think is wonderful about him.

David is king! I can't wait to see what he does.

We're off to Hebron and then Jerusalem!

He knows and loves God, so I think he'll be a good king.

DAY 1

David has been a faithful servant and mighty warrior. Now he is the king of the Israelites. God's choice was wise when he had Samuel anoint David all those years ago. David wants to make sure that he honors and worships God and encourages the people to do the same.

› Read 2 Samuel 5:1–5 & 2 Samuel 7:1–16

DAY 2

Read 2 Samuel 5:1–5

All the tribes of Israel agreed that David would be their king. Thirty may seem a very young age for a king, but God had chosen David and would help him all the way.

DAY 3

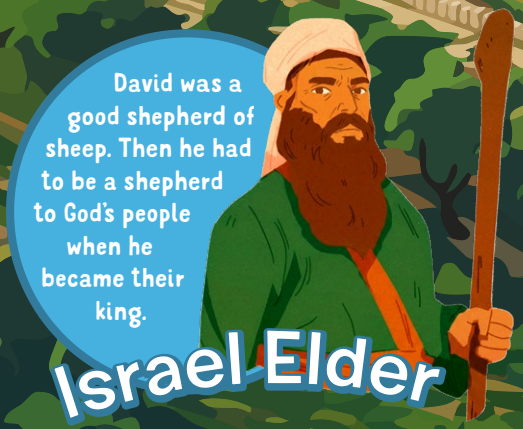

Read 2 Samuel 7:1–3

King David lived in a fine palace, but the Ark of God, the place of God's presence, was kept in a tent. David felt sure that needed to change!

DAY 4

Read 2 Samuel 7:4–12

David had to learn that God was in charge. God promised to look after his people and give them peace. He also promised to give David a son who would be king.

David was a good shepherd of sheep. Then he had to be a shepherd to God's people when he became their king.

Israel Elder

DAY 5

Read 2 Samuel 7:13–16

Not only would David's son be the next king, but he would also have a very special purpose—to build a house for God. God promised to look after and to love him forever. That's better than a million palaces!

It's time to go back home and think about what we discovered.

- **PLAY A GAME OF KING'S COMMANDS.** Create a designated play area by making a king's line across one end of the area and a player's line 20 feet away. Pick one person to be the king who will stand on the middle of the king's line facing the players on their line. The king will give the players commands, such as "march three steps forward" or "hop to the left once and forward two times," bringing the players closer to the king with each action. When the king shouts, "Come to the king," all the players must run as quickly as they can to cross the king's line. The first one across becomes the king in the next round as play continues.
- **MAKE A MODEL** of what you think David's palace looked like. You can use materials such as cardboard boxes, toy building blocks, or construction paper.

LANDERS LOG

DAY 1 Complete this part of the flipbook to help Solomon build the temple. Color in the **trees** and **hills** on frames 1–24.

DAY 2

How old was David when he became king? (see verse 4) ____

How many years did David reign? (see verse 4) ____

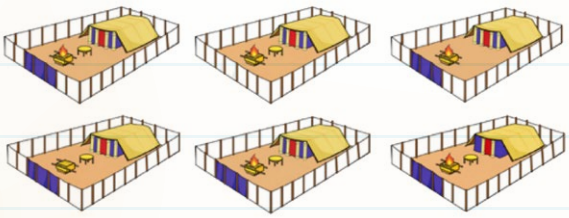

How old was David when he died, and a new king was crowned? (Hint: add the first two numbers to find the answer.) ____

DAY 3 Write the first letter of each object to reveal the name of the person David spoke to about building a house for God.

The Prophet _____ _____ _____ _____ _____ _____

DAY 4 God said he had dwelt in a tent (tabernacle) since the time the Israelites left Egypt. Circle the picture of the tabernacle that is the same as the first. Then circle what is different in the other four.

HEBRON, where David was crowned king, was the burial site of Abraham, Sarah, Isaac, Rebekah, Jacob, and Leah. Hebron was the capital city for the tribe of Judah and served as a permanent monument to Israel's origins and God's promises over the generations. David lived and reigned here for seven and a half years before he moved to Jerusalem, and it became the first capital city for all Israelites.

DAY 5 Put a ✓ by the statements that are true and X next to those that are false about God's promise to David and his offspring.

- ☐ David's offspring will build a house for God's name.
- ☐ God will establish the throne of his kingdom for a few years.
- ☐ When he does wrong, God will punish him.
- ☐ God's love will never be taken away from him.
- ☐ His throne will be removed and his kingdom will fail.

The holes in a tree trunk are like a palace to a squirrel like me!

DAY 6

- **Why do you think the people trusted David to lead them?**
- **How might David's years as a shepherd have prepared him to be king?**
- **What gifts or experiences might God be using to prepare you to serve him?**

PRAY Talk to God about your thoughts and what you discovered this week.

DAY 7 Talk to your Travel Guide or a Timelander friend about what you wrote in your Lander's Log.

Don't forget to put your stamp in your passport.

TRIP 3: THE KING'S REQUEST_

David loved God and was faithful to him most of the time throughout his reign. He was also faithful to his friend Jonathan, who died in battle. He even took Jonathan's son, Mephibosheth, into his home and looked after him. David taught his son, Solomon, to love and obey God. When Solomon takes the throne after David dies, he asks God for something very special. It will make him one of the most famous kings of all time.

PRAY: Ask God to teach you to love and obey him.

DAY 1

David wants the best for Solomon and knows what his son must do to be a good king. Solomon realizes that he needs God's help and is ready and willing to learn from him.

› Read 1 Kings 2:1–4; 3:1–15; 4:29–34

DAY 2

Read 1 Kings 2:1–4

David's last advice for Solomon was the best advice possible—listen to God and follow his ways. Then God would keep his promise that kings would keep coming from David's family.

DAY 3

Read 1 Kings 3:1–9

God offered to give Solomon whatever he wanted. He could have asked for anything, but Solomon chose to ask for the best thing ever—for wisdom and to be a good king.

DAY 4

Read 1 Kings 3:10–15

God was so pleased that Solomon asked for wisdom rather than selfish things like being rich and respected that he gave Samuel those things too!

DAY 5

Read 1 Kings 4:29–34

Solomon became famous in many countries for being wise and having great knowledge. He used God's gift well and helped lots of people.

DAYS 6 & 7

Solomon knew a lot about many things, including animals, birds, reptiles, and fish, and he recorded wise sayings. We will explore some of these on our next trip.

It is time to **think** about this trip, **write** in your Lander's Log, and **talk** to your Travel Guide.

What do you do? 3. A friend of yours encourages you to steal some candy when the shopkeeper is not looking. What do you do? Take each situation and act out the foolish choice then act out the wise choice. Talk about the consequences of each.

WISDOM is being able to tell the difference between right and wrong. It is knowing what is right and choosing to do it. It is using what you know to make good choices, solve problems, and be kind to others.

DAY 6

- **How is having wisdom different from knowing many things or being smart?**

TRIP 4: WORDS OF WISDOM_

On our last trip, God gave Solomon what he asked for—wisdom. Solomon wanted his wisdom to continue helping people even after he was gone. On this trip, we will read some of his wise words and discover how they can help us too.

PRAY: Ask God to make you wise—to help you understand his Word and live by it.

Let's go see what Solomon wrote.

Proverbs 3:1–12

It's time to travel—back we go!

LOCATION:

JERUSALEM

I can't wait to get back to Jerusalem.

DAY 1

Solomon knew that it's wise to love and trust God, even when it's hard. He wrote wise sayings called proverbs, to show people what real wisdom looks like.

› Read Proverbs 3:1–12

God is amazing! Putting him first and learning to live his way was the best thing to do. He never let us down.

Solomon

DAY 2

Read Proverbs 3:1–4

God's commands to love God and each other and to be faithful should not just be written on stone tablets, but on our hearts!

DAY 3

Read Proverbs 3:5–6

God knows everything about us, and he wants the best for us. So even when things are tough, we should trust him.

DAY 4

Read Proverbs 3:7–8

Knowing a lot of things isn't the same as being wise. God makes us truly wise and helps us live well when we follow his ways.

DAY 5

Read Proverbs 3:9–12

Solomon wanted everyone to give God first place in their lives. He knew that even when we don't do what is right, God corrects us because he loves us—just like a father loves his children.

It's time to go back home and think about what we discovered.

The caller will stand in the middle of the finish line with their back to the starting line. All other players will line up at the starting line. When the caller shouts "Green Light," the players will move toward the finish line until the caller turns around to face the players and shouts "Red Light." Players must freeze and stop moving immediately. If the caller catches anyone moving, that player must return to the starting line. The game continues until a player goes over the finish line. That player becomes the caller for the next round.

DAY 6

- What does it mean to keep God's commands in our hearts?
- What does "do not depend on your own understanding" mean?
- Can you describe a situation where correction or discipline was a sign of someone's love?

PRAY Talk to God about your thoughts and what you discovered this week.

DAY 7 Talk to your Travel Guide or a Timelander friend about what you wrote in your Lander's Log.

Don't forget to put your stamp in your passport.

A **PROVERB** is a short saying that gives good advice or shares a wise truth about life. Proverbs often teach important ideas and values. They are usually passed down from one generation to the next. Solomon wrote 3000 proverbs and 1005 songs during his lifetime—many more than are in the book of Proverbs. His main message was that "the fear of the Lord is the beginning of knowledge."

TRIP 5: FROM TABERNACLE TO TEMPLE

God had promised David that his son, Solomon, would build a temple. It would be a forever place for people to worship God, in place of the tent they had been using since their time in the wilderness. Now the work on a beautiful temple will be completed, and that promise fulfilled. The dedication will be an amazing occasion!

PRAY: Ask God to help you understand more about what he is like.

Ready?
We're off to Solomon's kingdom!

DAY 1

It is finally time for God's promise to David to be fulfilled. His son, King Solomon, is the one who builds a beautiful, special, forever place that honors God and where people can go to worship him.

› Read 2 Chronicles 3:1–2; 5:1–14

DAY 2

Read 2 Chronicles 3:1–2

Solomon began building the temple in the place that his father David had bought and built an altar to the Lord. It must have been very exciting to finally start work!

I can't wait to see the new temple!

I can already hear trumpets, cymbals and singing—wow, it's so noisy!

All the leaders of our nation came together as the temple was finished. God was so faithful to us!

Head of a Tribe

DAY 3

Read 2 Chronicles 5:1–6

How amazing the temple must have looked—full of silver and gold! That's because God is amazing, and the temple needed to show that. Now it was time to bring the most sacred thing to the temple—the Ark of the Covenant.

DAY 4

Read 2 Chronicles 5:7–10

The Ark had been with God's people since Moses' time (Remember Journey 6, Trip 2?). Now it contained only the tablets of stone with God's commandments, and it was time to place it in its new home, the most holy place in the temple.

DAY 5

Read 2 Chronicles 5:11–14

The singers sang about how wonderful God is and how his love lasts forever. Then the most amazing thing happened—God's glory filled the temple just like it filled the tabernacle many years ago! God was with them all the way.

It's time to go back home and think about what we discovered.

DAYS 6 & 7

Solomon was a wise king and reigned over Israel for 40 years. When Solomon dies, his son, Rehoboam, will become king. But one of Solomon's officials is not happy about that and wants his own son, Jeroboam, to become king. What will happen? Find out on our next trip.

- When the temple was dedicated, the people sang, "He is good; his love endures forever." These words, part of a responsive song, are in Psalm 136. **USE PSALM 136:1-3 AS A RESPONSIVE CALL** with one person reading out the first half of the verse and everyone else calling out the second half. You might even want to make up your own words for the first half to remind you of times when you have experienced God's goodness and love.
- **CREATE YOUR OWN HOMEMADE FINGER CYMBALS!** You will need: two metal lids such as jar lids, duct tape, and two strong thick elastic bands. Use the duct tape to attach one elastic band to the inside of each jar lid. To use both hands to play the cymbals, place several fingers through each elastic band. To play with one hand, place several fingers through the elastic band on one lid and your thumb through the other. Bang the lids together as you march, sing, and praise God!

DAY 1 Complete this part of the flipbook to help Solomon build the temple. Color in the **stones** around the foundation and steps on all the frames 3–24.

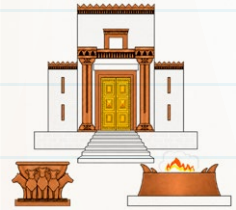

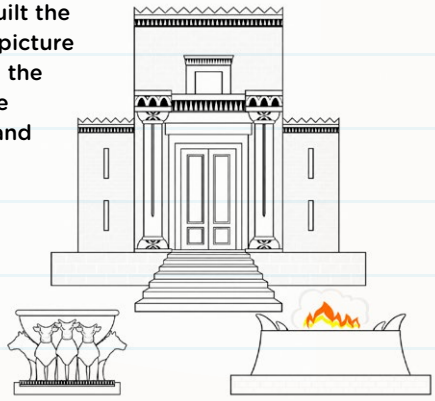

3 ---------- 24

DAY 2 Solomon built a temple that was just the right house for God at that time. Match the creature to the "house" that is just right for them.

DAY 3 Solomon used a lot of bronze when he built the temple. Using the picture to the left, color in the parts of the temple that were bronze and the doors gold.

DAY 4 What was the inner sanctuary of the temple called, where the priests placed the Ark of the Covenant? Mark out every other letter of each word to find out. We did the first one for you.

DAY 6

- **Why was bringing the Ark into the temple such an important occasion?**
- **What made the temple so special compared to the tabernacle?**
- **Why is it good for God's people to worship together?**

PRAY Talk to God about your thoughts and what you discovered this week.

The **LEVITES** were members of the tribe of Levi that was set aside by God to take care of his house– first the tabernacle and then the temple. Some played instruments and sang during worship, some guarded the doors of the holy place, some taught God's rules, and some were priests who offered sacrifices. They did not receive territory like the other tribes when they entered the Promised Land. Instead, they lived in designated cities scattered across the country and were supported by agricultural tithes from the other tribes.

Treefrogs sometimes live high up in trees. We have sticky toe pads so we can cling to leaves and branches.

DAY 5 Musicians played instruments and sang songs to worship God in his new temple. Name these four instruments used in the celebrations.

TRIP 6: A KINGDOM DIVIDED_

Joshua gave each of the twelve tribes of Israel their own land. There have been three kings who ruled over all of Israel—Saul, David, and Solomon. Now it is time for Solomon's son, Rehoboam, to become king, but Jeroboam is challenging him. Things are about to become very complicated.

PRAY: Ask God to help you make wise choices about friends and people you listen to.

We're twisting back in time—hold on!

DAY 1

After Solomon dies, it is time for Rehoboam to become king. But Rehoboam isn't wise like his father, and trouble is brewing. He is about to make a big mistake, failing to listen to the older leaders who served his father, Solomon. He likes his friends' advice more!

› Read 1 Kings 12:1–24

DAY 2

Read 1 Kings 12:1–5

The people of Israel were ready for change, and they went to Rehoboam with a special request. Rehoboam started well by taking time to think about what they asked and not rushing to decide.

DAY 3

Read 1 Kings 12:6–11

The older leaders had probably learned a lot from Solomon and gave wise advice. But Rehoboam chose to reject the elders and ask the young men who were his friends. Their advice was the exact opposite of the elders'.

DAY 4

Read 1 Kings 12:12–16

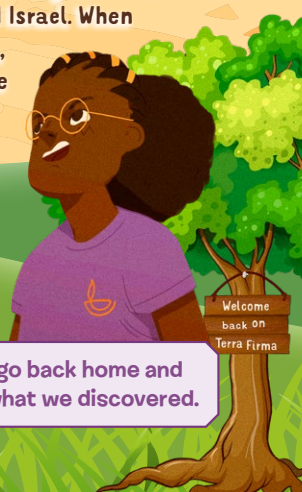

Rehoboam chose to ignore the wise advice and acted harshly against the people. God knew that was how he would respond, and he had even told Jeroboam what would happen! The people felt like they were not even from the same family anymore.

DAY 5

Read 1 Kings 12:17–24

Because of Rehoboam's decision, he was rejected as king by everyone except the tribe of Judah. The rest of the people made Jeroboam their king and formed their own nation, which they called Israel. When Rehoboam tried to fight them, God told him to stop; they were all part of his people!

DAYS 6 & 7

Sadly, there are now two nations, Judah and Israel, instead of one. Will the next kings be any wiser? Will the people continue to be faithful to God?

It is time to **think** about this trip, **write** in your Lander's Log, and **talk** to your Travel Guide.

Hold the sticks upright in your hand on a table or floor. Let go of the sticks, allowing them to fall wherever they land. Take turns trying to take one stick from the pile at a time without moving the other sticks. You can use your hand or another stick. On each turn, players will take as many sticks as possible until they move another stick. When there are no more sticks left in the pile, the winner is the player who removed the most sticks.

We will serve you if you will:

DAY 3 **Circle the advice that each gave to Rehoboam.**

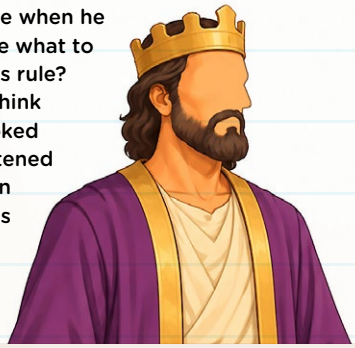

The elders who served under Solomon
- Be a good manager for these people.
- Be a servant to these people.
- Be a strong leader to the people.

The young men Rehoboam grew up with
- Put them all in prison.
- Put stones in their food.
- Put an even heavier yoke on them.

DAY 4 What do you think King Rehoboam's face looked like when he told the people what to expect from his rule? What do you think the people looked like as they listened to him? Draw in the expressions that you imagine.

DAY 5 Find out if each of the following statements are true or false by reviewing the Bible verse given for each.

_____ 1. The people of Judah were ruled by King Rehoboam. (see v. 17)

_____ 2. King Rehoboam tried to force the people of Israel into working for him. (see v. 18)

_____ 3. The Israelites didn't want Jeroboam to lead them either. (see v. 20)

_____ 4. King Rehoboam wanted to wage war with Israel. (v. 21)

_____ 5. God supported King Rehoboam's war with Israel (v. 24)

_____ 6. King Rehoboam and the people of Judah obeyed God (v. 24).

Lev never puts a heavy load on me. He makes sure I have lots of seeds and nuts—especially acorns!

Did you know?

A **YOKE** is a wooden harness that is fastened over the necks of working animals, such as oxen, allowing them to pull a plow or cart with a heavy load. Because the yoke bound the animals to their burden, the word is also used to describe any strict control or heavy load placed on people.

DAY 6
- **Why do you think Rehoboam followed the advice of his young friends?**
- **How might things have been different if Rehoboam followed the elders' advice?**
- **Describe a time when you needed someone to help you know what to do. Who did you go to for help?**

TRIP 7: WATER AND THE WIDOW_

Rehoboam was king for 17 years and Jeroboam for 22. More than sixty years have passed since our last Trip, and kings and things are going from bad to worse. The two nations—Judah, the Southern Kingdom, and Israel, the Northern Kingdom—have had a series of kings—mostly bad. The bad kings turned people away from God and encouraged them to worship false Gods. God will send men of God and prophets to warn them, but will they listen?

PRAY: Thank the Lord for those who help you know and follow God.

We are going to visit the king of Israel.

Are you ready? We're heading back in time!

Let's see what this one does!

DAY 1

When Asa, who follows God, is king of Judah, Ahab becomes king of Israel. Ahab is a very evil king, and he marries an evil woman. Things are so bad in Israel that God sends prophet who listens to him and tells the kings and the people what God wants them to know. He even helps people who live in other countries!

› Read 1 Kings 16:29–34 & 17:1–16

DAY 2 Read 1 Kings 16:29–34

Ahab was an evil king with an evil wife, Jezebel, from Sidon. He set up altars to the false god, Baal, and this made God very angry. Remember on Journey 6, when Joshua said that if anyone tried to rebuild Jericho, their children would die? It has now come true.

DAY 3 Read 1 Kings 17:1–6

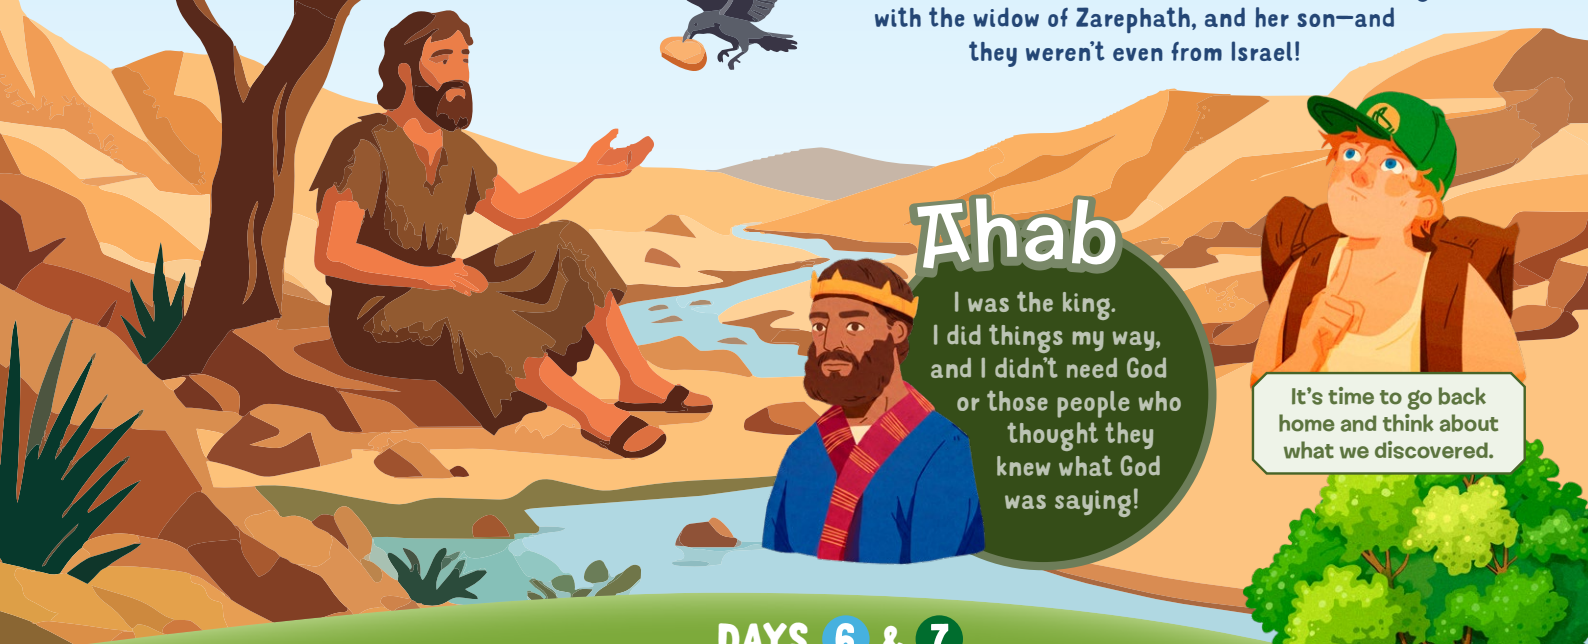

Elijah listened to God and told Ahab what would happen. Elijah's life was in danger, and God hid him in a safe place not far from his home. He even used ravens to feed him

DAY 4 Read 1 Kings 17:7–12

When Elijah's water dried up, God sent him to stay in Zarephath in Sidon, the place where Queen Jezebel was from. God would provide for Elijah again—this time using a poor widow.

DAY 5 Read 1 Kings 17:13–16

The widow was obedient, and her flour and oil never ran out. God's miracle saved the lives of Elijah, along with the widow of Zarephath, and her son—and they weren't even from Israel!

DAYS 6 & 7

Elijah stood up to the king and did all that God told him to say and do. But on our next trip, with Ahab still king and Jezebel the queen, things are going to get tougher for Elijah.

- **MAKE OLIVE OIL BREAD.** You will need: 1 cup of all-purpose flour, 1/4 teaspoon of baking powder, 1/4 teaspoon of salt, 2 tablespoons of olive oil, 1/4 cup of warm water, plus 2 tablespoons of milk or more water. Combine the dry ingredients in a large bowl, then add the olive oil and stir into a course, crumbly mixture. Add most of the water and milk and use your hands to mix and shape it into a smooth dough that is soft but not overly sticky. Dust a work surface with flour and lightly knead the dough. Cover and let it rest for 30 minutes. Divide the dough into several balls. Place the balls on a floured surface and dust the top of them with flour. Press the rolls into small thick circles. Cook the bread in a non-stick skillet over medium heat until they are toasted on both sides. (about 5 minutes per side) For thinner flatbread, roll the dough out into larger, flat circles. Cook each side for around 2 minutes or until the bread begins to bubble up.

Did you know?

In ancient times, in the land of Canaan, some people worshiped a goddess named Asherah. They would put up a wooden pole or tree, called an **ASHERAH POLE**, and then pray to it or make offerings near it. King Ahab made God angry when he set up altars and Asherah poles because they were idols and false gods.

DAY 6

- How did Ahab's disobedience affect the whole nation?
- Why did the widow need faith to obey Elijah's instructions?
- What is one way God has cared for you or your family in a difficult situation?

TRIP 8: FRENZY AND THE FIRE_

Just as God said through the prophet Elijah, the nation of Israel has not had rain for years, and many people are suffering from famine. King Ahab has built many places to worship false gods like Baal and Asherah, and Jezebel, his wicked wife, has been killing God's prophets. But their palace administrator, Obadiah, is different—he loves God and obeys him.

PRAY: Ask God to help you to be brave and know he is with you in tough times

DAY 1

King Ahab is looking everywhere for Elijah the prophet, but not for good reasons. Elijah is not afraid of the king and wants to meet up to challenge him. He will get help from Obadiah, who is not only a palace administrator, but a faithful servant of God. Elijah is also not afraid to challenge the prophets of Baal and show them and the people how powerful God is.

› Read 1 Kings 18:1–39

DAY 2

Read 1 Kings 18:1–15

When God spoke, Elijah listened and obeyed. At last, God was going to ease the famine. But first, Elijah had to meet with Ahab, who was trying to harm him. It is no wonder Obadiah felt frightened at first!

DAY 3

Read 1 Kings 18:16–24

Obadiah was very brave. He risked losing his job, and even his life, to serve God. Elijah trusted in God and challenged the 850 prophets of the false gods to a competition against just one prophet who served the one true God.

DAY 4

Read 1 Kings 18:25–29

All day long, the prophets of Baal called on their false gods, but there was no one there to answer. Elijah began to tease them, and they got into such a frenzy that they even hurt themselves! Even then, nothing happened.

DAY 5

Read 1 Kings 18:30–39

Now it was Elijah's turn, and he was determined to make it as hard as possible for the sacrifice to burn. He knew God would send his fire. When the people saw God's power, they began to worship him again.

DAYS 6 & 7

God used Elijah to turn the people back to God. But Elijah is getting older, and a new prophet will be needed to take his place. On our next trip, we will meet this trainee prophet whose name is similar to Elijah's.

_____ Elijah tells the prophets of Baal to prepare a sacrifice for their false god.

_____ Elijah tells Ahab to bring all the people and all the prophets together on Mount Carmel.

Did you know?

MOUNT CARMEL is a coastal mountain range located in the Galilee region of northern Israel. The name comes from the Hebrew word for vineyard or garden and expresses the natural beauty that is found there. A large part of Mount Carmel is now a national park so that its' wide range of trees, plants, and animals are protected.

TRIP 9: THE CALLING AND THE CLOAK_

Elijah was an amazing man of God. When Ahab died, his son, Ahaziah, became a king, and he was as evil as his father. Elijah stood up to him too. By now, there are groups of prophets in different places called companies. Elijah has a special servant who had been a farmer, but was called by God to replace him—his name is Elisha.

PRAY: Ask God to help you follow him closely.

DAY 1

Elisha has followed Elijah faithfully ever since Elijah came to his farm and threw his cloak over him, showing that God had chosen him to be the next prophet. Elisha knows that Elijah's time on earth is nearly over and is determined to stay close to him until the very end.

› Read 2 Kings 2:1–15

DAY 2

Read 2 Kings 2:1–3

Elisha wouldn't let Elijah out of his sight and followed him wherever he went. His first stop was Bethel, which had been a place of worship since the time of Abram and Jacob.

DAY 3

Read 2 Kings 2:4–6

The next stop was Jericho. Like the company of prophets in Bethel, those in Jericho could see that Elijah would soon be gone, and they warned Elisha. But he already knew! These were hard, sad times for him.

DAY 4

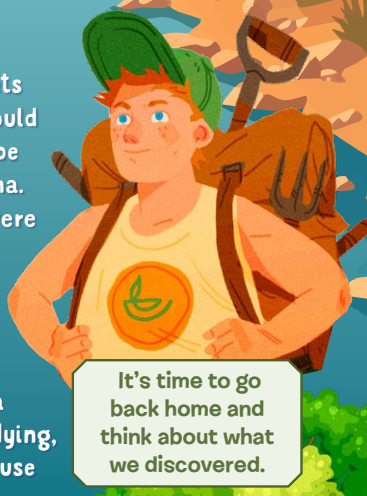

Read 2 Kings 2:7–8

With the company of prophets watching, the waters of the Jordan were divided. Just like he had done before, God parted the waters to let his people through. God was at work here, as he had been with Moses and Joshua.

DAY 5

Read 2 Kings 2:9–15

Just like Solomon asked for wisdom, Elisha asked for double the spirit of Elijah. Instead of dying, Elijah was taken straight to heaven, and because Elisha was with him when it happened, he knew that God had said yes to his request. He picked up Elijah's cloak and was ready for service.

Elijah	"The Lord is going to take your master from you today."
Elisha	"Stay here."
The prophets	"I will not leave you."

If I got caught in a whirlwind, I would use my sticky toe pads to cling on to a tree. I might even catch a few bugs as they fly by.

DAY 4 Help Elijah and Elisha cross the Jordan River on dry land.

A **WHIRLWIND** is a spinning tower of air, like a mini tornado. When warm air rises and cool air rushes in, they can swirl together. Sometimes they spin so tightly that they can lift up leaves, dust and branches, and make them swirl around. Whirlwinds are more common in flat, sunny, dry areas, like fields and deserts. You might even see one in a parking lot!

JOURNEY 7 TRIP 9

TRIP 10: MINISTRY AND MIRACLES_

Elisha was a faithful prophet, and kings came to him for wise and godly advice. The company of prophets also came to him for help, and God gave him the power to perform miracles that helped people believe in and follow God. On this trip, we will be in Shunem, which is near the hill of Moreh, where Gideon won the battle against the Midianites with just trumpets, jars, and torches. But an even greater miracle is about to take place.

PRAY: Tell God in what ways you think he is amazing.

Here we go back to Elisha's time!

DAY 1

The prophet Elisha travels all around Israel with his servant, Gehazi. One of the places they visit regularly is Shunem, where a wealthy woman and her husband live. The couple gives Elisha and his servant a room to stay in each time they visit. But what Elisha gives them is miraculous—a miracle of birth and a miracle over death!

› Read 2 Kings 4:8–37

We are on our way to Shunem.

DAY 2

Read 2 Kings 4:8–17

Children, especially sons, were very important, because they were the way the family name and responsibilities were passed on across generations. Being able to have children was also a sign of God's blessing.

DAY 3

Read 2 Kings 4:18–24

What a frightening time for the woman and her husband! A wonderful gift of a son had been given to them, and now he had been taken away. The woman knew whom to go to for help, and she was in a hurry to find him!

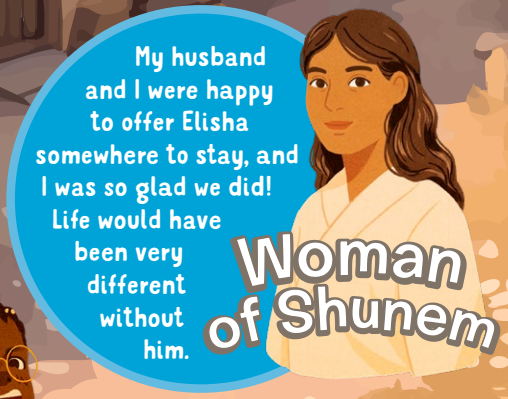

That looks like a very nice house where Elisha is staying.

DAY 4

Read 2 Kings 4:25–31

Elisha sent his servant ahead, hoping that God would use his wooden staff to bring the boy back to life. But the woman was convinced that Elisha should come and wouldn't take no for an answer.

DAY 5

Read 2 Kings 4:32–37

Imagine Elisha's excitement when the boy warmed up and then sneezed! Imagine the excitement for the boy's parents too—God had done an amazing miracle!

It's time to go back home and think about what we discovered.

›› Years later, Elisha would help the Shunammite woman again. After leaving her home during a famine, she found on her return that her property had been seized. When she asked the king to return it, he was speaking to Gehazi. Because of what Elisha had done for her son, her gave back all her property. You can read about this in 2 Kings 8:1–6.

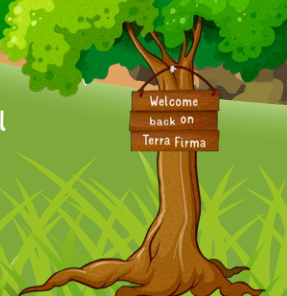

DAYS 6 & 7

Elisha's prophetic ministry lasted for over 50 years. On our next trip, we will leave Elisha far behind and hop to another prophet, Hosea. He will have a very challenging message for the Northern Kingdom of Israel.

Did you know?

The woman from Shunem was able to build A **ROOM ON HER ROOF** for Elisha because of the way houses were built in ancient Israel. Many homes had flat roofs that could be reached by an outside staircase. Families would often use the roof for drying crops and fruits or for extra living space. Creating rooms on the roof for honored guests was a common practice.

JOURNEY 7 TRIP 10

TRIP 11: WARNING AND WORSHIP_

This trip begins about 100 years after Elisha lived. Hosea is a prophet in the Northern Kingdom of Israel. The kingdom is quite wealthy, but people have turned away from God and are worshiping idols. The prophet Hosea keeps warning them that if they continue to worship false gods, there will be consequences. It is time to turn back to God so they can be saved.

PRAY: Tell God you are sorry for times when you haven't listened to him.

We are traveling back in time and we're going fast!

I can't wait to hear what Hosea has to say!

DAY 1

The tribe of Ephraim is the largest and most respected tribe in Israel. They are supposed to be an example to the people of the whole nation, but they are far from God and are worshiping Baal and other idols. Hosea tells them what God thinks about their sins and why they must turn back to him—not just Ephraim, but all the people of Israel.

› Read Hosea 13:1–6; 14:1–9

DAY 2

Read Hosea 13:1–3

Just like in the time of Elijah, people were worshiping Baal and making other idols. Hosea warned that there would be severe consequences if they continued. They might not be around for long!

DAY 3

Read Hosea 13:4–6

God had brought the Israelites out of slavery in Egypt, cared for them in the wilderness, and given them his commandments. But in their pride, they had forgotten him. It was happening all over again.

DAY 4

Read Hosea 14:1–3

Hosea told them that it was time to turn back to God—to say that they were sorry and ask for his forgiveness. No one else had the power to save them as God had.

God called me to stand up for him and his ways and to call people back to him. It made me unpopular, but I didn't care!

Hosea

DAY 5

Read Hosea 14:4–9

Hosea tried to show the people what it would be like if they turned back to God. If they repented, he would no longer be angry with them but would show them his love and look after them.

The people Hosea is speaking to don't look very happy.

It's time to go back home and think about what we discovered.

DAYS 6 & 7

Other prophets, like Micah and Joel, tried to warn the people of Israel just like Hosea did. Will the people listen and turn back to God, or will they be punished for their sin by a foreign country? Find out on our next trip!

It is time to **think** about this trip, **write** in your Lander's Log, and **talk** to your Travel Guide.

- **WRITE A THANK-YOU NOTE TO GOD** for his forgiveness. You may want to be specific about ways you have experienced his forgiveness. Read what you wrote aloud to use your letter as a prayer.

DAY 4 Inside the praying hands, write some of the things God's people needed to say sorry for.

Tadpoles don't last forever, either. They turn into frogs!

DAY 5 God has a beautiful future planned for his people when they come to him for forgiveness. Can you find these things hidden in the picture that are part of God's promises.

His people will blossom like a LILY

They will grow roots like a CEDAR TREE

His splendor will be like an OLIVE TREE

The people will flourish like GRAIN (WHEAT)

They will blossom like a VINE (GRAPE)

Their FRUIT will come from God.

DAY 6

- **In what ways did the people of Israel turn away from God?**
- **What did God mean when he told his people to "return" to him?**
- **What are some ways that we forget God when things are going well? What are ways we can remember to depend on him?**

DAY 7 Talk to your Travel Guide or a Timelander friend about what you wrote in your Lander's Log.

Don't forget to put your stamp in your passport.

PRAY Talk to God about your thoughts and what you discovered this week.

Did you know?

What do **MIST, DEW, CHAFF, AND SMOKE** all have in common? They are all temporary—here one minute and gone the next. Mist and dew are usually seen in the morning hours but are burned off by the rising sun. Chaff is the outer layer of grain, which floats away after the more valuable seed is collected. Smoke appears but then drifts away. Each of these word pictures suggests something that exists and then quickly disappears without leaving a mark. That's what God said his people were like when they were disobedient and worshiped other gods.

TRIP 12: THE CHOICE AND THE CONSEQUENCES_

Many years have passed since the nation split into two kingdoms. The capital of Israel, the Northern Kingdom, is Samaria, and the capital of Judah, the Southern Kingdom, is Jerusalem. There have been some good kings, but mostly bad ones who turned the people away from God and set up altars and temples to false gods. Prophets like Hosea tried to warn them about what would happen if they didn't turn back to God. Now the words of Hosea are about to come true!

PRAY: Ask God to help you make the right choices.

DAY 1

Israel has a new king, Hoshea, but he is mostly just like the other kings. He didn't inherit the throne from his father—he assassinated the king and took over. He has made friends with the countries around him but keeps changing his loyalties. With Hoshea leading the way, the people of Israel ignore Hosea's warnings and break God's important rule: "Worship only me." Now they must face the consequences.

› Read 2 Kings 17:1–23

DAY 2

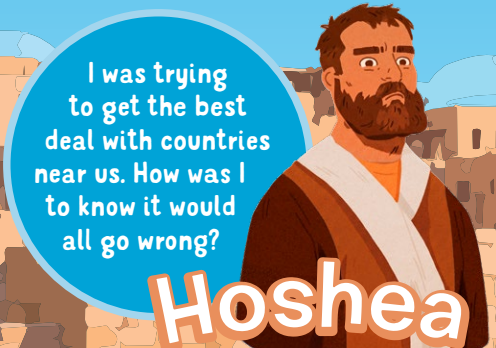

Read 2 Kings 17:1–6

Hoshea may not have been as bad as some kings, but he still did what was evil in God's eyes and made bad choices. After being attacked for three years, the Israelites lost everything and were carried off to a foreign land. Hosea's warnings have come true.

DAY 3

Read 2 Kings 17:7–12

When they entered the Promised Land, God had told the people of Israel they must not follow the customs of the nations he was driving out before them. He had miraculously brought them out of Egypt, but now they were living in a foreign country again!

DAY 4

Read 2 Kings 17:13–19

God had sent prophets to tell the people to turn back to him, but nobody listened. Not only was God angry, but he also removed them from his presence. That means he would no longer be with them like he was in the tabernacle and temple! Judah was still hanging on, but that kingdom was in trouble too.

DAY 5

Read 2 Kings 17:20–23

The people of Israel had lost everything. Things had gone from bad to worse since Israel separated from Judah. Ever since Jeroboam became king, they have followed his evil ways. Now they had lost the Promised Land God had given them.

DAYS 6 & 7

What will happen to Judah, the Southern Kingdom? Will they do any better than Israel? Will they repent and worship only God? We will find out on our next trip.

It is time to **think** about this trip, **write** in your Lander's Log, and **talk** to your Travel Guide.

- **PLAY CAPTURE THE FLAG.** You will need two teams and a flag (or bandana) for each team. Divide the play area into two territories, one for each team. Each territory should have a small area set aside as a "jail." Each team decides where to put their flag within their own territory, who will guard it (Defenders), and who will try to capture the other team's flag (Attackers). Defenders stay in their own territory, while Attackers run into enemy territory to grab the other team's flag. If tagged in enemy territory, an Attacker has to go to the opposing teams jail. To get out of jail, one of their teammates must tag them without getting tagged themself. The first team to get the other team's flag back to their own territory is the winner!
- **HOLD A MOCK TRIAL** of King Hoshea and the Israelites. You will need: one judge, at least one prosecuting attorney, at least one defense attorney, one accused (Israel), and at least two jurors. The prosecution and the defense will prepare their case by reviewing 2 Kings 17:1-23 (It may be helpful to have one adult and one child for each side). The prosecuting attorney will make a list of the sins Israel has committed, while the defense attorney will make a list of explanations for their actions. Have the judge and the jurors decide the verdict. If guilty, based on the Bible passage, what will the punishment be?

Did you know?

One of the Israelites' sins was to practice **DIVINATION**, seeking hidden knowledge, future events, or spiritual guidance through occult methods or supernatural powers apart from God. They did this instead of praying to God and seeking advice from the prophets and teachers. Common methods of divination were interpreting stars, casting lots, and fortune-telling. These were strictly forbidden in God's laws as they replaced trust in God.

Squirrels don't get stiff-necked because then we couldn't swallow our acorns.

DAY 5 Draw three things that you think the Israelites would have left behind as they are taken to Assyria into exile. Then talk about what it would feel like to lose these things.

DAY 6

- **In what ways had the Israelites become like the people in the nations around them?**
- **What does it mean when it says the people were "stiff-necked"?**
- **What can make it difficult to admit that we are wrong?**

PRAY Talk to God about your thoughts and what you discovered this week.

DAY 7 Talk to your Travel Guide or a Timelander friend about what you wrote in your Lander's Log.

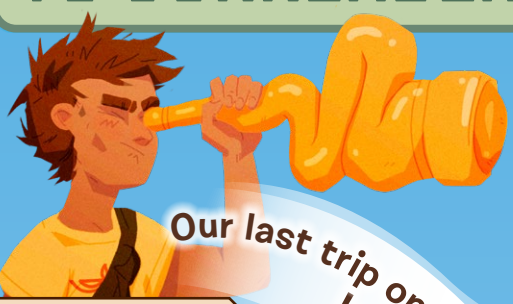

Don't forget to put your stamp in your passport.

TRIP 13: FROM SUCCESS TO SURRENDER_

Most of the kings of Judah did some good, but they did not remove the idols and continued to worship false Gods. They finally have a good king, Hezekiah. He is like King David, who had lived so many years ago. He is going to do a lot of good things, but he will face the same enemy that Israel and his father, King Ahaz, did—the king of Assyria. Assyria is a powerful nation, and Judah will be no match for it.

PRAY: Ask God to help you always love and worship him alone.

Our last trip on this journey—here we go!

Look, there is a new king in Judah!

DAY 1

The people of Judah have turned away from God, and Hezekiah wants to bring them back. He trusts in the Lord; however, in his fear, he makes a foolish decision that gives Assyria the upper hand and causes Judah to lose that which is most precious to them.

› Read 2 Kings 18:1–16

DAY 2

Read 2 Kings 18:1–4

Hezekiah started out well and removed all the high places where people worshiped false gods and idols, including a bronze snake from the time of Moses. That was ancient!

DAY 3

Read 2 Kings 18:5–8

Hezekiah trusted God so much that he was successful in everything. He was very brave when he stood up to the powerful king of Assyria and the Philistines too.

I loved God and wanted to obey him. That helped the people of Judah love and worship him. I did my best to protect them, but Assyria's king was very powerful.

Hezekiah

Are you ready to meet him?

DAY 4

Read 2 Kings 18:9–12

King Hezekiah watched as the Assyrians took over Samaria and deported the Israelites to their country. He knew it was because they had not obeyed God and his covenant. He did not want the same thing to happen to Judah.

DAY 5

Read 2 Kings 18:13–16

Hezekiah was desperate and promised to pay Assyria whatever they wanted. He gave them the silver from his palace, silver from the temple, and gold stripped from temple doors and doorposts. The wealth of the temple that Solomon built to glorify God was being used to keep Judah's enemies happy!

It's time to go back home and think about what we discovered.

DAYS 6 & 7

How will things turn out for Hezekiah and the people of Judah? Will Assyria leave them alone? What will happen to the people of Israel who have been taken to Assyria? Find out on our next journey!

- **PLAY A GAME OF GATEKEEPERS** to defend Jerusalem. Draw a line at one end of a play area. Three players, the "gatekeepers," will stand just in front of the line to defend the gate to the city. The remaining players must try to cross the line to the other side. The gatekeepers can only move sideways along the line and will try to tag players trying to cross. Anyone tagged joins the gatekeepers, making the wall of gatekeepers longer and harder to pass. The player who successfully gets across is the winner and will choose two more players to be gatekeepers on the next round.

Venomous snakes prey on tree frogs, but we can hop away quickly to high places to stay safe.

The **BRONZE SNAKE** that King Hezekiah broke into pieces was the same snake that Moses had made centuries earlier. During the Israelites' time in the wilderness, God told Moses to make the bronze snake and put it up on a pole. Anyone bitten by venomous snakes in the desert could look at the bronze snake and live. King Hezekiah destroyed it because the people had started to worship it as an object instead of worshiping God.

How to make your flipbook

1. Cut out the frames along the dotted line so that you have 24 individual pages. Each one should have panel on the left-hand side with the page number at the top.
2. 3. 4. Place the pages one on top of the other in order starting with page 1 on top. Staple the pages together in the panel where it says, "staple here." To help Solomon build the temple, grasp the left-hand panel with your left thumb on top and finger below. Use the thumb and finger of your right hand to gently flip through the pages and watch the story of Solomon's temple come to life!
5. Now that you know how to make a flipbook, you can make your one with your very own design and story.

On Journey 7, we met good kings and bad ones too. King Solomon was good and wise, and he built a beautiful temple to worship God. King Rehoboam was so mean that the Israelites split into two, with most of the tribes of Israel choosing to form their own kingdom in the north with King Jeroboam. Prophets like Elijah, Elisha, and Hosea tried to tell the kings and the people that they needed to turn back to God and stop worshipping idols. But they wouldn't listen, and finally, the tribes in the northern kingdom were attacked by Assyria and taken off into exile. What will happen to King Hezekiah and the people of Judah? Will they listen to the prophets? What will happen to the people of Israel who have been taken from their homeland to Assyria? Will Assyria attack Judah too?
